# 1996 Index to Volume 58 of *The American Biology Teacher*

This index includes everything published in *The American Biology Teacher* during 1996 (Volume 58) except filler material. Book reviews in the title index are listed with the names of the book author(s) in parentheses; Audiovisual reviews list the name of the producer in parentheses. In both cases, the reviewers are listed in the author index. The index is alphabetical word-by-word. For example, "Educational" would follow "Education Theory." Page numbers indicate the first page of the article or department in which the entries appear. Entries are in three categories: Subject, Title, and Author. All entries include one of the following key codes:

A=Articles
B=Biology Today
C=Computer Center
D=Other Departments
E=Editorial
F=Features
H=How-To-Do-Its
L=Letters
R=Book Reviews
V=AV Reviews
